

INDEX MS32C

Kind : Cnc multispindle lathe
Manufacturer : INDEX
Model : MS32C
Year : 2012
Serial : 150789
Stock : 10518

TECHNICAL DETAILS

- Number of spindles : 6
- Max. bar diameter : 32 [mm]
- Spindle speed : 6300 [rpm]
- slide unity 1.1 : X and Z axes controlled by CNC
- slide unity 1.2 : X and Z axes controlled by CNC
- slide unity 2.1 : X and Z axes controlled by CNC
- slide unity 2.2 : X and Z axes controlled by CNC
- slide unity 3.1 : X and Z axes controlled by CNC
- slide unity 3.2 : X and Z axes controlled by CNC
- slide unity 4.1 : X and Z axes controlled by CNC
- slide unity 4.2 : X and Z axes controlled by CNC
- slide unity 5.1 : X and Z axes controlled by CNC
- slide unity 5.2 : X and Z axes controlled by CNC
- slide unity 6.1 : X and Z axes controlled by CNC
- slide unity 6.2 : X and Z axes controlled by CNC
- synchronous unit, spindle position 6.1 : X and Z axes controlled by CNC

EQUIPMENT

- CNC Siemens 840D
- Counter spindle
- Double control panel
- 2 NCU
- Bar loader : IEMCA SIR MS32 F
- Coolant tank : KNOLL FKA/800
- * with high pressure pump

Kind : Cnc multispindle lathe

Manufacturer : INDEX

Model : MS32C

Year : 2012

Serial : 150789

Stock : 10518

- Chip conveyor

: KNOLL

- Cooling unit

: Riedel WTS 030.02-NE

- Unloading system with 2 CNC axes

- Fire extinguisher

: KRAFT UND BAUER

*NB

: working order not guaranteed. To have it checked by a qualified organization of the buyer.
