

## INDEX MS52C

**Kind : Cnc multispindle lathe**  
**Manufacturer : INDEX**  
**Model : MS52C**  
**Year : 2010**  
**Serial : M160179**  
**Stock : 10248**

### TECHNICAL DETAILS

- |                        |  |
|------------------------|--|
| - Number of spindles   | : 6 independent                        |
| - Bar clearance        | : 52 [mm]                              |
| - Max. spindle speed   | : 5000 [Rpm]                           |
| - Spindle power        | : 29 [kW]                              |
| - Slide unit 1.1       | : axes X and Z controlled by CN        |
| - Slide unit 2.2       | : axes X and Z controlled by CN        |
| - Slide unit 3.1       | : axes X and Z controlled by CN        |
| - Slide unit 3.2       | : axes X and Z controlled by CN        |
| - Slide unit 4.1       | : axes X and Z controlled by CN        |
| - Slide unit 4.2       | : axes X and Z controlled by CN        |
| - Slide unit 5.1       | : axes X and Z controlled by CN        |
| - Slide unit 5.2       | : axes X and Z controlled by CN        |
| - Slide unit 6.2       | : axis Z controlled by CN + SCARA axis |
| TRANSFORMATION X and Y |  |
| - Supply               | : TN 50 Hz, 400 [V]                    |
| - Weight               | : 6000 [kg]                            |
| - Functioning hours    | : 61 166 hours                         |
| - Production hours     | : 14 585 hours                         |

**Kind : Cnc multispindle lathe**

**Manufacturer : INDEX**

**Model : MS52C**

**Year : 2010**

**Serial : M160179**

**Stock : 10248**

**EQUIPMENT**

- Control INDEX C200-4D
- Filtration Knoll
- HP pump 40 bars/55l/mm
- Fire extinguisher Kraft & Bauer
- Robot Staubli TX90
- Coolant through tool
- 6 coolant through spindles
- Chip conveyor
- Isolation transformer
- Refrigerating unit
- Oil mist extractor Buchel
- Status lamp 3 colors
